

DFEB APIPC February Meeting Notes
Denver Federal Center, Bldg 810
February 12, 2004
2:00pm - 4:00pm

Dragonboat Festival

We are to start soliciting participation. Since the meeting, I asked Teresa if she would like, I would make up some posters for this. She agreed.

Action: Deb Walters to update the web site <http://dfebapi.cr.usgs.gov>
(done).

Action: Deb Walters to make up some posters, done.

Operation Agency Outreach

Information for this project is on the web for this. We are actively contacting agencies for participation. Larry would like 15 members consistently attending for our council.

May 2004

API month, we will have a luncheon... where TBD. I think it would be good to make plans for this and coordinate with the other agencies. For example, I plan on showing the 12 minute tape of how Hawaii's Asian population became so diverse, and perhaps some photographs in the hall. We could publicize on the web the dates for each agency's event.
